The Winifred Dahl Scholarship Fund

was created in 2020 in honour of Rosemarie Horne's mother. Winifred was a piano teacher of more than 40 years and enjoyed watching students achieve success through their piano studies. She taught mostly students up to and including Level 8 so the family felt that honoring students at this level would be a profound way to honour Winifred and her legacy of teaching.

Please consider making a lasting donation to honour someone in your life.

Alberta Registered Music Teachers' Association

The Alberta Registered Music Teachers' Association, Edmonton Branch, is a vibrant professional organization of about 120 members. Our members represent many specialties including piano, organ, voice, strings, woodwinds, percussion, music theory and early childhood music education.

ARMTA offers many varied and exciting programs to its members and their students. For teachers there are continuing education events, recitals, yearly music conferences, and advertising opportunities. For students, there are award and scholarship opportunities, masterclasses, recitals, and competitions.

Once a student has achieved their Grade 9 piano they can apply to become an associate teacher with ARMTA and access the many programs that we offer for their own advancement. Most importantly, our members have an opportunity to network with other teachers.
